Hi Amy,

Please see the email below that includes the form 10 provided to tenants by TOWN. I will also forward the other Form 6 documents x 2 (initial and extension).
We cancelled this only this week because of how stressful things have become and I developed shingles on my face/mouth/inside my nose and throat.
We spent $5000 on the front timber and it still hasn't even finished the sanding. I organised it and I think he may have taken advantage of the situation.

There is absolutely no way we will be accepting any offers from the tenants prior to QCAT.

Hi Nicole,

Thank you for your emails and sending through.
So sorry to hear you have been unwell with Shingles and so stressed due to the situation.
We will advise them before the 31st January that the offer has not been accepted and we will attend QCAT as planned.

Please let me know if you have any questions in the meantime.

Warm regards,
